

Knitted Bible Project

The Mindful Makers are working on something special for 2025...

If you'd like to knit a figure, suggest a Bible story, or help out in some other way please get in touch!

About the project

The Mindful Makers are a craft group meeting twice a month in the Church of the Resurrection Blarney. Everyone brings along their own project (knitting, crochet, card making, sewing, drawing--we've had quite a variety!) and there is usually plenty of chat as well as tea/coffee and something to snack on.

Occasionally some members decide to work together on a bigger project, and that is how the Knitted Bible project has come about! The knitters among us have made a start on creating figures to populate various Bible stories. We'll be working on this over the next 12 months and hope to have a wide range of stories to display!

The Knitted Bible display will take place in 2025 in the Church of the Resurrection over a weekend or week (exact timing TBD!) and will be open to the public to view. We hope this will be an engaging way for people to connect, as well as serving as a small fundraiser for the Blarney 250th Anniversary fund.

Ways to get involved:

Get knitting

Even if you aren't able to attend Mindful Makers meetings, we have a pattern for the Basic Figure (we'll need a lot of them!).

Suggest a Bible Story

Not a knitter? We'd be curious to hear which Bible stories you'd like to see on display. Send us a suggestion!

Volunteer as a welcomer

It's still a while away--but when the event takes place we'll need plenty of volunteers to act as welcomers over the course of the weekend or week!
